Books and Braids

Books and Braids is a program in which your son or daughter will read aloud to Mrs. Bartell while she styles his/her hair before school beginning at 7:45 (this is open to any RPSA student). This is a wonderful opportunity to practice fluency, expression and accuracy during reading. Students come in, choose a hairstyle, chat a little, then get to work reading aloud while their hair is braided/styled. At the end, their new style is revealed, and they leave to start their school day with a newfound confidence. Please see the parent letter and permission slip for more information.

Appointments begin April 29th! Look for the following to come home with your child if he or she signs up!

Books and Braids

Dear Parents and Guardians,

Your child has signed up (the sign-up sheet is on Mrs. Bartells' door) for Books and Braids, a morning hair appointment in Mrs. Bartell's room. Your son or daughter will read aloud to me while I style his/her hair (this is open to any RPSA student). This is a wonderful opportunity to practice fluency, expression and accuracy during reading. *****Please come with clean hair.**

Each client will be provided with hair accessories and a comb (you child may bring a brush). We will also provide books and magazines. During the session, hair products may be used such as conditioner, hair spray, etc.

I ask that kids sign up for one appointment this year (since it is so late in the year) so every child has an opportunity. A reminder notice will be sent home with the date and time your child has signed up for. Please sign and return the attached permission slip before the appointment if he/she has permission to participate in this program. I look forward to building more confident readers one hairstyle at a time.

Mrs. Bartell

Donations of any of the following items would be greatly appreciated:

hair ties
spray conditioner
barrettes
hair gel
hair spray
smock
combs (disposable)
spray bottle

Academics:

In math, our students will continue reviewing missing addends. Also, students will be reviewing subtraction w/ and w/o regrouping.

In reading, our students will continue to work on narratives and then moving into fables and folk lores. They will be comparing and contrasting the differences between two identical stories. We have some fun activities planned to go along with this unit.

In science, students will continue our new Physical Science unit with our focus on land changes. We have the following planned: field trips and hands on activities that will take our students outside.

In writing, our students will continue learning about personal narratives. Students will write about a time they experienced in their life.

Parents,

We are excited to say that this weather looks like it is going to be nice, finally! Please continue to watch the weather to ensure your child has the proper attire for school. This week looks like it will be in the 70's most days.

Thanks!
