

Dear Families,

Hello from the staff and teachers at Renaissance Academy. We are missing you so much and hope your child has been able to connect online with teachers and classmates.

This week we will be creating and distributing care packages for each student at Renaissance. These care packages contain fun and inspirational items that have been carefully selected for each team. We hope these items can spur creativity and be used to help your child have fun and learn something new. Please keep in mind the care packages were made for Renaissance students and may have items that are not safe for little brothers, sisters, or animals.

All care packages will be ready for pick up using the schedule below. If you are unable to come at your designated time, please call the office at (989) 773-9889 to schedule an alternate time for pickup. Progress reports, spring pictures, and any medications that were in the office will also be picked up at this time.

Any family who picks up care packages this week will be entered into a drawing for a \$25 gas card donated by the Renaissance PTO.
