Dear Renaissance Middle School Families,

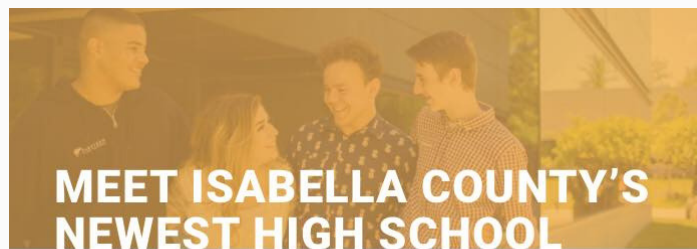

We have been invited to a unique opportunity for our Middle School students and their families to visit the new FlexTech High School tomorrow afternoon prior to their community wide open house Tuesday evening. Our 7th and 8th grade students and any family members who would like to join us will travel by bus at 12:30 to the new Flextech High School in Shepherd. We will tour the building, meet the staff, participate in a group activity and even enjoy Doozie's ice cream sundaes. Our group will return to RPSA by 2:30 for the end of the school day.

The purpose of our visit is to make students and families aware of the new FlexTech High School in our community. Families are welcome to join us on our visit on Tuesday afternoon or may choose to visit in the evening from 5:30-7:30 in the newly renovated Morey Education Center at 380 W. Blanchard Road, Shepherd, MI. We realize this choice is not for all families, but hope to make RPSA families aware of the choices they have in our community for their students entering high school.

We ask that any family members who would like to join our visit in the afternoon RSVP to Mrs. Bergman at lbergman@renaissancepsa.com or by calling the school office at 989-773-9889 so we can ensure transportation for all guests.

In Partnership,

Mrs. Lisa Bergman
Principal, RPSA
