

March 13, 2018

Dear Parents,

Learning Celebrations will be held tomorrow, March 14, from 8:15 – 9:15 a.m. Some of the Islander students have chosen to include a live performance at the Learning Celebration as part of their Michigan History Project. Because of our limited time, we have assigned these students a specific time to perform. Attached is a schedule of the students who have chosen to include a live performance. If students are not on this list, their projects can be viewed throughout the entire hour.

Thank you,

The Islander Teachers
