Dear Middle School Families,

This morning, a substitute teacher was present in Mrs. Hubbell's classroom for two hours while Mrs. Hubbell participated in a training for a new instructional resource.

The substitute teacher did not meet our school's expectations for the way instructional staff interact with students. Upon learning this, the substitute teacher was relieved of her remaining duties.

Our investigation into this incident is ongoing. Please share any details or concerns that you may have regarding this incident in writing to myself at hmayer@renaissancepsa.com or with Mrs. Lisa Bergman, Principal, at lbergman@renaissancepsa.com.

Sincerely,

Henry Mayer
Curriculum Director
