ACADEMIC CALENDAR CHANGE

We have made an adjustment to the school calendar. The spring Student-Led Conference originally scheduled for Wednesday, February 23, 2022 will now be held on Wednesday, April 20, 2022. This change increases the amount of time between the fall and spring Student-Led Conferences, and will allow students an opportunity to share the learning that takes place during the second half of the school year. February 23, 2022 will now be a regular session Wednesday that begins at 8:00 a.m. and dismisses at 2:00 p.m.

You can find the PDF version of our school calendar linked on the Documents page of the school website, and linked here at:

Because we do not accept responsibility for the student's personal items, students should leave at home those belongings that are not necessary to their education. More specifically, electronic games, toys, stuffed animals and trading cards are not allowed in school unless special permission has been granted. Any other personal items that staff members judge to be unsafe or inappropriate for school will be confiscated and held in the office until a family member retrieves them.

Snack and Treat Policy

We recognize the importance of healthy snacks along with the importance of celebrations on occasion, and certainly want to continue these traditions at Renaissance. However, to be good stewards of our school facility and to serve as role models for our students when making nutritional decisions and to be responsive to those children who have food allergies or other

dietary restrictions, we have implemented the following policies with regards to snacks and birthday treats at school.

CELL PHONES ON SCHOOL PROPERTY INCLUDING AT PRACTICES AND AFTER SCHOOL EVENTS

Students are required to turn in a cell phone to their teacher daily. Students may not have their cell phones on their person or in their lockers.

2. Second offense is the removal of the phone. It will need to be picked up by an adult family member in the office at the end of the day.

Our PTO still has RAMS Cards available for purchase. Families interested in participating in the Rams card sale may pick up cards in the office any day between 9:00am-2:00pm. Cards are \$10 each or 10 for \$90. Once again this year cards must be prepaid. You may also send money with your child and cards will be sent home that evening. Reading Tips and Strategies

When you read at home with your kids, follow the **R.E.A.D.** plan.

R - Repeat Books

E - Engage and Enjoy

A - Ask Questions

D - Do More

This week we will focus on the R: Repeat Books. The following are examples of activities you could do at home when reading with your child following the R.E.A.D. plan:

- Read rhyming books over and over again. As you read, have your child complete the rhyming word at the end of each line.**
 - To see a short video example of a child reading a rhyming book with her mom, click [here](#).

- Read alphabet books to your child and eventually ask him/her to name the items on the page that you know he/she can successfully tell you.**
 - To see a short video example of a child reading an alphabet book, click [here](#).

- Repeated reading. Choose a passage that will not be very difficult for your child. Read the passage aloud to your child, and then read it together, helping your child figure out any tricky words. Next, have your child read the passage to you with a focus on accuracy. Finally, have your child read the passage to you again, paying attention to fluency and expression. The goal is to sound smooth and natural.**
 - To see a short video of a child doing a repeated reading with her mom, click [here](#).

- Related words. When you read a book about a topic, ask him/her to tell you all the words related to it. Ex: If you read a book about a dog, he/she might say dog, puppies, toy, food, play, leash. Add other words to help expand upon what he/she says.**
 - To see a short video example of a child thinking of words related to a topic, click [here](#).

- Think aloud. When you read aloud to your child, talk about what you are thinking. It is your opportunity to show your child that reading is a lot more than just figuring out the words. Describe how you feel about what's going on in the book, what you think will happen next, or what you thought about a character's choice.**
