

Monday, May 3, 2021

Dear RPSA Families,

Tomorrow, May 4th, you can help our school make history. Renaissance Public School Academy has the chance to be a part of *Give Local Isabella*. *Give Local Isabella* is a 24-hour, community-wide fundraising event hosted by the Mt. Pleasant Area Community Foundation. Our goal is to raise \$5,000 that will go back directly to our students to enhance their learning experiences.

The Renaissance PSA Foundation was recently established through a joint effort between our RPSA PTO and the RPSA School Board. Funds from the RPSA Foundation will be used to support a number of unique opportunities for students, staff and families. Goals for the foundation include:

- Supporting students in pursuing individual projects through mini-grants awarded directly to students.
- Supporting grade level team projects related to community involvement and civil service activities.
- Supporting struggling RPSA families during times of need.
- Expanding the scope of our mission and vision as a school.

The *Give Local Isabella* 24 hour event is made even more powerful with matching funds. The first \$3000 raised for RPSA on May 4th will be matched dollar for dollar making each donation worth DOUBLE.

I am asking you to take five minutes and look at the [RPSA Foundation page](#). Your donation of any amount will help our students tremendously!

Thank you,  
Lisa Bergman  
Executive Director, Renaissance Public School Academy
