Dear RPSA Families,

An incident has taken place on the campus of Central Michigan University. We are in SECURE MODE at this time and will remain in Secure Mode until we are given the all clear from law enforcement. This means students and staff are currently conducting school as usual within classrooms. We do not go outside during Secure Mode. We also do not allow anyone from the public to enter our building during Secure Mode.

Our students and staff are safe. We will follow all safety protocols and do our best to keep everyone informed in a timely manner. We are hopeful that the current situation will be resolved by the end of the school day. For the safety and well being of everyone we will follow the directions of law enforcement and remain in Secure Mode until given the all clear.

We will provide another update before the end of the school day.

Sincerely,
Mrs. Bergman,
Principal
