

# 2018 Summer Open-Gym

## Schedule & Policies

### BASKETBALL

Upcoming 5th - 8th grade students wishing to attend a summer open-gym session to improve their basketball skills may do so; however, only the first 15 will be allowed in the gym when only one athletic staff member is present. When a second member of the athletic staff is on site, 25 will be allowed to participate. There will be no exception to this rule. If a sign is posted stating, "Session Full", you will have to come back and try on a different date. Parents, please make sure that the session is open prior to leaving your child, and please be prompt when picking your child up. No candy or food will be allowed in the gymnasium. Water/Gatorade only.

These sessions are only open to Renaissance students. The sessions will be open to and supervised by members of the athletics department only. In addition, student-athletes that attend must participate. In other words, this is not for students to just come and hangout with each other. Students that are just using this as social time will be asked to not come back - which will open up a space for someone that wants to be here to develop their skills.

Finally, upon arrival, an injury awareness form must be signed. This can be done ahead of time by printing the form from the athletics website and have it brought with you to the open-gym session. Any participant without the signed form will not be allowed into the open-gym session.

Questions should be directed to Mr. McCausey: [dmccausey@renaissancepsa.com](mailto:dmccausey@renaissancepsa.com)
