## *Project Based Learning - How can I support my child at home?*

Feedback plays a huge role in helping students identify what they still need to learn, take ownership of their learning, and make continuous progress. At RPSA, we know that feedback is one of the most effective tools to support student achievement - and you can provide it too!

Whenever your child posts in their Seesaw Journal, you can comment on their work. This is a great way to engage in what they are doing at school, provide feedback and ask questions.

You can type a comment or leave a voice comment by clicking on the microphone icon.
