

January 14, 2022

Dear RPSA Families,

Renaissance Academy will be closed on Tuesday, January 18, 2022 and Wednesday, January 19, 2022 following the scheduled day off for the Dr. Martin Luther King, Jr. holiday on Monday, January 17. Over the course of this week we have experienced rising numbers of positive COVID-19 cases among our school population. Combined with the weekend, this closure will allow for five days of separation to help slow the current spread of illness. It will also allow us to conduct another round of deep cleaning throughout the building.

We will be using forgiven time provided for Michigan schools, commonly known as “snow days”, and students are not expected to participate in virtual learning on these days. We know that face to face learning is best for our students. It is our sincere hope that implementing a short break now will reduce the likelihood that a longer break or a transition to distance learning will be necessary.

Our families have done a phenomenal job of keeping open communication with us, and this has helped us to make decisions using current information. Please continue to email Brandy Reihl at breihl@renaissancepsa.com to notify her of any positive COVID-19 cases. Brandy will be regularly checking for new messages.

We appreciate your cooperation and understanding as we seek to mitigate this current surge of illness together.

In Partnership,
The Renaissance Staff
