

# ATTENTION ALL RPSA FAMILIES - CHANGES TO OUR PARKING LOT

## WHY???

Upon our return from Spring Break on **Tuesday, April 6th** we have +55 more students returning to IN SCHOOL learning. That means:

- about 50 more cars each morning and afternoon.
- in order comply with our school safety plan we need to add additional recess locations which will be at both ends of the parking lot at lunch and in the afternoon.
- we need a plan to keep both students and families safe.
- **WE NEED YOUR HELP TO MAKE THIS WORK!**

## WHAT ARE THE CHANGES?

- Morning drop off will remain the same. **Please DO NOT cut through the lot.** Follow the traffic pattern.
- The lot will be closed to traffic in the afternoons until 3:15. If you must come to the school you will need to call the office from your car near the mailbox at the entrance. A sign with the office number will be posted.
- **DO NOT ARRIVE PRIOR TO 3:15.** Cars will not be allowed in the lot and it is a traffic violation to wait on Isabella Road. The sheriff's department will be on site to remind drivers they cannot wait on the road. Those who do can be cited for "impeding traffic" and we do not want that.
- The parking lot will open at 3:15 and cars will be allowed to begin to form a line. If cars are backed up on Isabella Road when the lot is open it is not a traffic violation. **PARENTS MAY NOT PARK AND EXIT THEIR VEHICLES AT PICK UP** due to our school safety program. Please remain in your car in the pick up line.
