#RAMSPRIDE

Be Safe Be Responsible

Be Kind Work Hard

We love celebrating our students when they're caught showing RAMS Pride. We look for students who are being safe, being responsible, being kind, or working hard and try to highlight them with a "Shout Out". Students receive a blue paper to bring home and show off to their families. Their names are also included in the weekly newsletter. The first time a student receives a shout out, they get to visit the book vending machine too!

We have seen an increase in stomach related illnesses over the last week. Please review this information from the District Health Department regarding the spread of Norovirus. Please remember students may not return to school until they have been vomit and diarrhea free for at least 24 hours.

NOROVIRUS

Norovirus is very contagious and causes vomiting and diarrhea. People of all ages can get infected and sick with norovirus. Most people with norovirus illness get better within 1 to 3 days, but they can still be contagious for a few days after.

Norovirus spreads very easily within schools. To prevent getting and spreading norovirus, students and school staff should wash their hands well with soap and water; hand sanitizer alone does not work well against norovirus
