Wizard of Oz Performances

May 2, 3, & 4, 2024

Hello RPSA Families!

While many of our students began spring testing this week, they were also very busy with great project work. Here are some of the happenings with each grade level:

- Kindergarteners have plants under grow lights and caterpillars on the way! Both helping them learn about how living things grow.
- Voyagers are finishing up their unit on Birds and sharing their knowledge with the entire school! We've had some amazing 2nd graders sharing bird facts in the morning announcements all week
- Islanders are exploring Force & Motion and our 4th graders are super excited about public discourse and writing newspaper articles.
- Trailblazers have begun their unit on types of Government and the study of different countries
- MS STEM classes are learning about thermal energy and built miniature igloos this week.
- MS Humanities classes are researching the Civil War and preparing for their road trip project.

It has been another great week of learning!
