Hello RPSA Families!

Happy Friday! It was a week of celebration at RPSA as we spoiled our staff for appreciation week, all had the chance to brag about our school on Give Local Day, and ended the week with a School of Rock "Rock Your Recess" concert! We love anytime we have the opportunity to have fun with our students and celebrate the great things happening here.

As we head into the last 4 weeks of the school year we have a lot to look forward too. Several grade levels have end of year field trips, the PTO has been working hard to plan the annual Walk-a-Thon, and we will be communicating soon about last week of school events like graduation and field day. We know this is a very busy time of year and there is a lot to keep track of. Please be checking Seesaw regularly for information from your child's teacher and details for events that your child's class will be participating in. If you ever have any questions, please feel free to call the office for clarification.

Have a wonderful weekend!

With RAMS Pride,  
The RPSA Leadership Team

# #RAMSPRIDE

Be Safe Be Responsible

Be Kind Work Hard

We love celebrating our students when they're caught showing RAMS Pride. We look for students who are being safe, being responsible, being kind, or working hard and try to highlight them with a "Shout Out". Students receive a blue paper to bring home and show off to their families. Their names are also included in the weekly newsletter. The first time a student receives a shout out, they get to visit the book vending machine too!

# Youth Police Academy

## Mentors. Meet here.

This fun, and interactive program offers youth, going into grades 6-8, an up-close view of the skills and necessary training needed for law enforcement officials.

Mt. Pleasant Police Officers conduct the program in the manner of a real police academy with values such as teamwork, integrity, compassion, and discipline being stressed. Cadets are required to participate in physical training and complete the same agility tests given to recruits during a standard police academy. In addition to physical training, the daily curriculum includes hands-on learning, field trips, and demonstrations by specialized units such as the SWAT Team, K-9 and DNR. Classroom topics encompass crime scene investigations, traffic stops, marine patrol activities, firearms safety, first aid and CPR, and much more.

**Applications are available at the Division of Public Safety (804 E. High Street), or the Principal's office at your school.**

Application deadline is June 6.
