FEBRUARY 20TH

Happy New Year RPSA Families,

We missed seeing all of our students smiling faces over the holiday break but it was a great time to refresh and relax with family and friends. We hope everyone enjoyed the few days of snow and the few days of spring type weather while we were off.

We are getting ready to head into NWEA testing next week. Please try to make sure your child gets lots of good rest and breakfast so they are ready to show us all of their great learning. We have lots of upcoming activities for families and students. Information regarding girls basketball and the upcoming PTO Mitten Event are included towards the end of the newsletter. Be sure to check it out.

Please remember your child's teacher is your first stop if you have concerns regarding a situation that occurred in the classroom or at recess. Mr. Koster and myself are always willing to look into situations but classroom teachers are out at recess and talk with the other staff members who supervise recess. We are not always made away of all the situations that teachers handle during these times. Again please continue to reach out if you need more information but please be patient as it may take us longer to get information as we are not outside with the students.

Sincerely, Sarah Anderson

THINGS TO REMEMBER FOR NEXT WEEK:

- Remember to RSVP to the upcoming Mitten Event sponsored by PTO.
- Remember to call Ms. Tina if your child will be out sick for the day.
- Remember with this crazy Michigan weather to send outside gear with your child.
- Remember as we enter the new year
 please make sure all your contact
 information including address and phone
 numbers are correct. Please reach out to
 Ms. Tina via seesaw or email if any
 changes need to be made
- Remember to call the office by 9am if your student will need a hot lunch and will be arriving to school later.

School Doors Open at 7:45 am

School Starts at 8:00 am

School Ends at 3:25 pm on M, T, TH, F

Early Dismissal on Wednesday at 2pm.

AROUND THE SCHOOL

Trailblazer students spent time completing a STEM challenge. They were challenged to collaborate and build a boat with given materials to see whose would float.
