RAMS Winterfest

January 27, 2024

Hello RPSA Families!

It was a cold, yet wonderful week of learning at RPSA. Please remember that students go outside for recess when the temperature and windchill are above 0 degrees. They should come to school with coats, snow pants, hats, gloves, and boots every day. Next week we will continue NWEA assessments for our mid-year check-in. Please continue to support your child with these assessments by ensuring they get plenty of sleep and encouraging them to stay positive and do their best.

SCHOOL IMPROVEMENT SURVEY

Each year we invite families to participate in a survey to help inform our school improvement planning process. We have been encouraged by strong participation in the past and hope that you will assist us with this effort again this year. Students and staff members will be invited to share their thoughts as well. The survey will remain open until January 22, 2024. We encourage you to open it now and share your thoughts. Thank you!

Have you heard about the aquatic center project?

The center would offer a full range of aquatic activities for community members of all ages and abilities, with a multi-purpose pool for education, recreation, and competition, and a warmer water therapy and teaching pool to support health, fitness and rehabilitation. Get the facts at

www.midmichiganaquatics.com
