Hello RPSA Families,

Whew what a week it has been. We have had multiple days of indoor recess and an indoor pick up day. Our middle school student in STEM class had an opportunity to go on a 2 day field trip to Forest Hill. Our Chief Science Officers put on a fun STEM event for kindergarten and 1st grade voyager classrooms and we had our second week of our newest middle school club called Big Kid Helpers. We have 10 middle school students who chose to work in a K-4 classroom to see what it is like to be a teacher assistant. Our lower elementary kids are already in love with their new big kid friends. Voyager students held a learning celebration for their families and showed the workouts they created. Everyone definitely worked up a sweat.

Be sure to check out our new menu for breakfast and lunch. We have lots of new choices this month. We will finish up NWEA testing in the next few weeks as well.

Sincerely, Sarah Anderson

#### THINGS TO REMEMBER FOR NEXT WEEK:

- Remember the playground is muddy and wet. Please send boots with your student.
- Remember to call Ms. Tina if your child will be out sick for the day.
- Remember to put your sign in your window on rainy days.
- Remember to send a water bottle with your student.
- Remember to call the office by 9am if your student will need a hot lunch and will be arriving to school later.
