STEAM Spirit Week

January 29 –

February 2, 2024

Hello RPSA Families!

Even though Michigan weather continues to make things interesting, we are having a blast whenever we get to be at school! Each grade level has been very busy with project work, field trips, and lots of learning! Check out some of the amazing things our students are up to:

- Kindergarten has launched a unit on Needs vs. Wants and are preparing for some special guests in the near future. Did you know they also had a pig visit last week?
- Voyagers are having a blast with Science experiments this week as they learn about states of matter and prepare for their upcoming field trips to the Children's Museum
- Islanders have started round 2 of Wonder Workshop and launched their new Government project over the past couple of weeks
- Trailblazers have launched a fun unit called The Amazing Race and spent today racing around Mt. Pleasant to experience how this game works
- Middle School has started new specials club rotations, are wrapping up current ICE Clubs (with 2 field trips for the culinary club!), and our latest Humanities classes will present their theater project this evening!

With so many amazing things happening around the school, it's no surprise that January flew by! Stay tuned to Seesaw and our school Facebook page for more updates as our students continue such great work.

With RAMS Pride,
The RPSA Leadership Team

**Are you receiving
Snow Day alerts?**

If you haven't received the most recent alerts, please contact the front office or send a Seesaw message to Ms. Tina to update your contact information.

It's Re-enrollment Time!

Look for re-enrollment forms to come home with students next week. All forms are due back by February 15, 2024 to save your spot for next school year.

Have you heard about the aquatic center project?

The center would offer a full range of aquatic activities for community members of all ages and abilities, with a multi-purpose pool for education, recreation, and competition, and a warmer water therapy and teaching pool to support health, fitness and rehabilitation. Get the facts at

www.midmichiganaquatics.com

A photograph of a person in a black and green swimsuit performing a backflip into a swimming pool. The person is in mid-air, with their feet pointing towards the camera and their hands reaching down. The pool water is a vibrant blue, and the background shows an indoor aquatic facility with large windows and structural elements.
