Hello RPSA Families,

While walking through the school you can feel a buzz of excitement as students prepare for Student Led Conferences, museum night, and the book fair. Volleyball and Cross Country are closing in on the end of their seasons and we are proud of all of our athletes. Below is information regarding all of these upcoming events as well as upcoming athletic informational meetings and try out.

Thank you to all the parents who are helping with not allowing students to bring toys and fidgets to school. We have seen a difference this week. In looking at the weather forecast it is looking to be a chilly and rainy week so help your student to remember their outside gear and your yellow sign for rain pick up. Thank you for your continued support.

Sincerely,  
Sarah Anderson

#### THINGS TO REMEMBER FOR NEXT WEEK:

- Please remember to not block the handicapped parking spaces or park in the inside lane before 3:20pm.
- Remember no school on Thursday or Friday next week.
- Upcoming athletics information for boys basketball and cheerleading below.
- Lots of lost and found items in the front lobby. Check them out at SLC day!

## **Student Led Conferences**

Fall Student Led Conferences (SLCs) will take place on October 20th. If you have not already done so, please sign up for a time with the Sign Up Genius your child's teacher sent via Seesaw. Last week we shared information about the purpose of SLCs. One of the key components is that students are given time to reflect on and share their learning progress with you. You are invited and encouraged to ask them questions during the conference. Here are some ideas of things you can ask about to help get a great, reflective conversation going with you child:

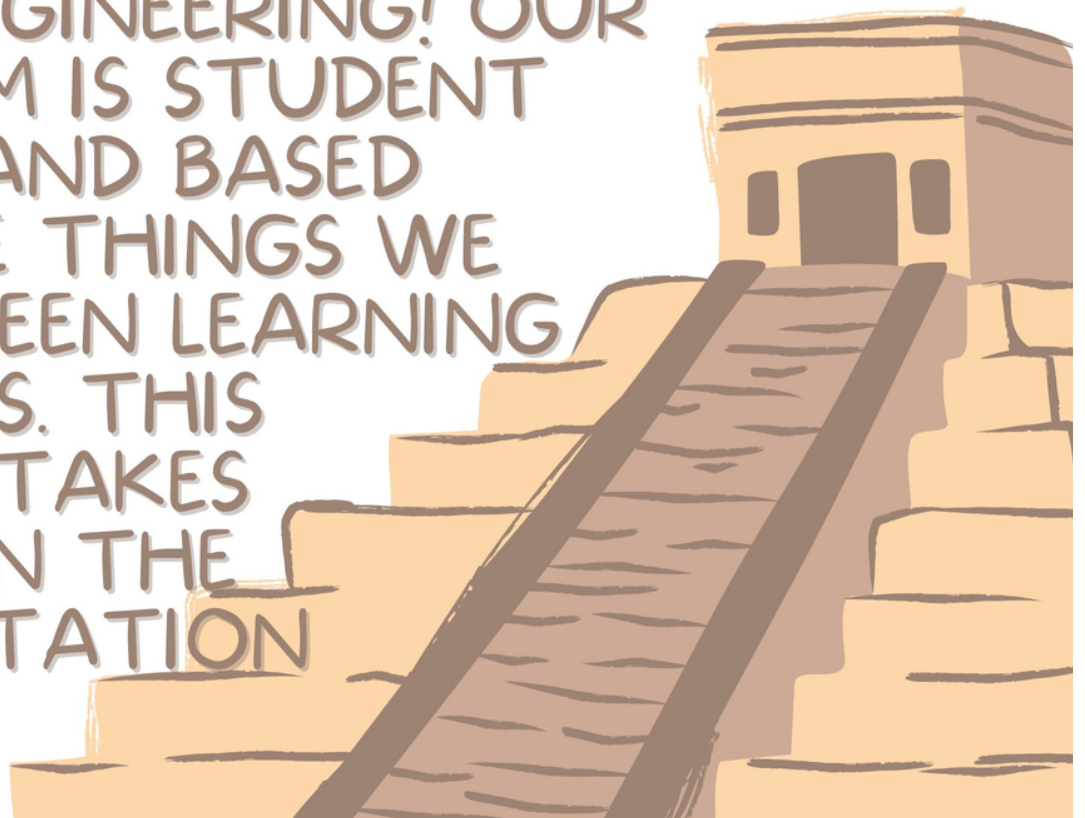

1. Ask me about my learning goals
2. Ask me what I have learned
3. Ask me what I feel most proud of
4. Ask me how I answered the Driving Question in my project work
5. Ask me about the project I worked the hardest on
6. Ask me how I overcame challenges I faced
7. Ask me to show you evidence of how I have grown
8. Please give me feedback

We are so excited to see each of you and give our students this amazing opportunity to grow in their understanding and ownership of the learning process.

# CHECK OUT OUR MUSEUM!
