Hello RPSA Families,

We had a short but busy week at RPSA. The beginning of the week was filled with students preparing for their individual Student Led Conferences, previewing the book fair, and an out of this world presentation from Mr. Buzard and Mr. McCausey's middle school Humanities classes. Below is a link to the article that was in the Morning Sun highlighting these students.

We ended the week with an amazing turn out for Student Led Conferences and the Book Fair. It was great to have parents and visitors back in the building and we look forward to more events like this throughout the school year.

The staff hope that you enjoy the 4 day weekend and we look forward to seeing the students recharged and ready to learn on Monday morning.

Sincerely,  
Sarah Anderson

# AROUND THE SCHOOL

**Kevin and Connor are building a bench for their ICE Project. It should be completed in the next week or two.**

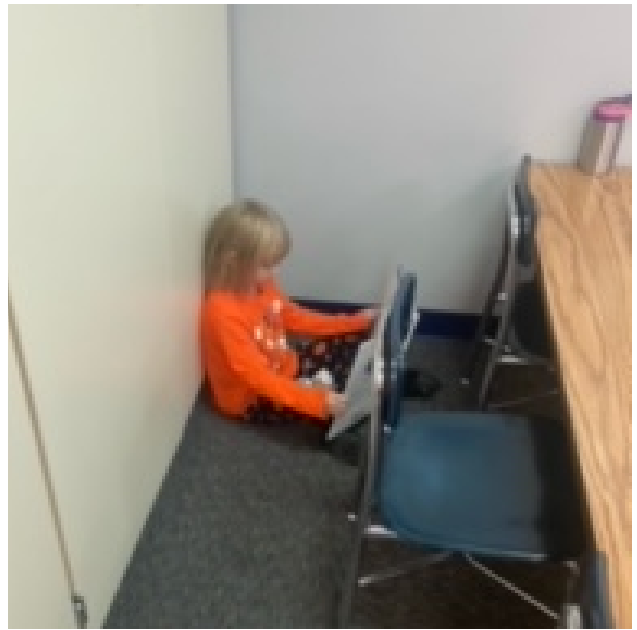

**The Islanders have been working hard to prepare for presenting their first project. They learned how to give thoughtful feedback to peers for final additions and/or edits for their upcoming Animal Learning Celebration next week.**

# AROUND THE SCHOOL

Over the past week, the kindergarteners designed and began putting together homes for their stuffed animal friends to live in for the rest of the school year. Wallpaper and carpet were the first additions with many more to come in the weeks ahead!
