Hello RPSA Families!

A main focus for each classroom this week has been preparing students for our first Goal Setting Student Led Conferences. We are looking forward to seeing families next Thursday and having a chance to sit down and set goals together for the school year.

If you have not already set up a time for your student's conference, please check Seesaw for a link from you child's teachers. Be sure to plan a little extra time to stop by the Book Fair while you are conferences as well!

This week's newsletter is packed full of information regarding Orange Shirt Day, the CMU Homecoming Parade, RAMS Apparel sale, upcoming athletics opportunities, and so much more!

Let's go RAMS!

With RAMS Pride,
The RPSA Leadership Team

Student Shout Outs

We've had such a great start to the school year and would like to start recognizing students who are going above and beyond. Be on the lookout for Student Shout Outs in our newsletter each week. Students who are caught following RAMS Pride Expectations will receive a special shout out from a staff member. They'll bring home a note from the staff member and have their names listed in the newsletter so you can help us celebrate them at home as well.

Car signs were sent home for each family. Please keep this sign in your car and place in the lower passenger side of your front window when picking students up. These signs are especially helpful on inclement weather days.

Inclement Weather

In the instance of an indoor pickup due to inclement weather, please see the below procedures for getting students picked up in a timely manner and keeping them safe

- Parents may choose to park and walk up to the building where a staff member will meet you and call for your child OR you may use the pickup lane to drive along the sidewalk and wait for your child
- When you enter the parking lot, please expect to stop and tell the staff member at the entrance your child's name and the name of their teacher
 - We will provide all families with a laminated card to put in your front window to help with this
- Staff in the parking lot and at the front entrance will radio to the classroom to have your student come to the front of the building
- Staff will escort children to vehicles in the pickup lane and help them get in safely
- Families are asked to still use the crosswalks when parking and walking up for students - it can be very hard to see in a rainy parking lot and crossing at other areas is not safe
- Please expect to take a little more time for pickup on these days, as we will move students as quickly as possible but it does take time
- Again, we will have free supervision available until 4:00pm so families are encouraged to wait a little past dismissal time to arrive for your student.
