Renaissance Academy

RAMS

Hello RPSA Families!

Our Renaissance RAMS rocked another great week of learning this week! Here are some of the projects and learning that are in the works:

- Kindergarteners had a visit from the CMU
 Geography department this week and got to
 explore a giant map in relation to their unit on
 community
- Voyager students have all had great experiences this week with inquiry and science lessons about birds. It's the start of their unit and we already have some budding bird experts in the building!
- Islanders are hard at work in their Government unit
- Trailblazer students continue to participate in The Amazing Race as they learn about weather, climate, and world geography
- Our Middle School students have started new clubs including Gardening, Graphic Design, Sewing, World Languages, and ICE projects

It's so busy with learning around here and we love it!

With RAMS Pride, The RPSA Leadership Team Reminder: RPSA DOES have school on Monday 2/26 & Tuesday 2/27. MPPS are off but school is in session for our Rams!

Community Aquatic Center Bond Proposal

The Community Aquatic Center Bond Proposal will appear on the February ballot for voters in the Mount Pleasant School District, City of Mount Pleasant and Union Township. This election is the one and only opportunity for community members to vote on this proposal.

If passed, the bond levy will provide funding for constructing a new indoor community aquatic center for public use. If the levy fails, it will not reappear on a future ballot, and the MMARA will be dissolved.

Please exercise your right to vote. Early voting is available at CMU's Powers Hall for city and Union Township residents and at 2320 South Mission for residents of additional townships within the MPPS district. Both locations will be open 8 a.m.-4 p.m. daily through Sunday, Feb. 25.

Polls will be open on Tuesday, Feb. 27 from 7 a.m. – 8 p.m.

You can find more information about benefits, programs and projected financial impact of the proposal at midmichiganaquatics.com.
