Student Led Conferences
March 21, 2024

Spring Break
March 22 - April 1, 2024

Hello RPSA Families!

Thank you so much for helping our students participate in Spirit Week this week. We had great participation and everyone had so much fun! If you haven't had a chance to see all the photos on our Facebook page be sure to check them out.

Next week will include our second round of Student-led Conferences this school year. Student-led conferences benefit students by giving them a chance to understand their own progress, strengths, and areas for improvement. They take ownership of their learning, set meaningful goals, and improve communication with teachers and parents. These conferences also enhance students' confidence, accountability, and responsibility, making them more engaged in their academic journey and fostering success. We appreciate your partnership and participation in this great experience for our students.

Please check Seesaw for your child's sign up link. We look forward to seeing you all next Thursday!

With RAMS Pride,
The RPSA Leadership Team
