Hello RPSA Families!

Thank you for another great week of learning! We enjoyed some great weather and fun on the playground, rocked some beginning testing sessions, and watched our baby chicks begin to hatch!

Spring testing season has begun and we are so proud of the hard work we're seeing already. Students in grades 3rd-8th will participate in the M-STEP and PSAT (8th grade only) assessments over the next few weeks. We know testing season can be tiring for students and do our best to provide a positive and encouraging environment for them to take the test in. We believe that standardized tests are only one measure of each student's strengths and while we want students to give their best effort, we also don't want this to be a stressful experience. Parents can support this process by ensuring students get a good night's sleep, eat a nutritious breakfast, and have lots of reminders about how wonderful they are.

You can check Seesaw for messages from your child's teacher with their class testing schedule.

With RAMS Pride,  
The RPSA Leadership Team

## YOUR GENTLY WORN RAMS GEAR

Last fall the PTO hosted a Rams Gear Swap for the welcome back/meet your teachers day.

We will be hosting this again in the fall & thought if we started spreading the word now we might have more items available as families begin to make room in their closets for summer clothes.

If your family has some gently worn Rams Gear that has been outgrown & want to donate it to the free gear swap table, please drop off laundered items to the main office.
