MS Field Trip

APRIL 14TH

Hello RPSA Families,

We hope you all had a relaxing and fun spring break. While it was a short week it was a busy one for staff and students. Students spent time adding their final touches to their SLC presentations. Some students went on a field trip and others enjoyed some time making dioramas for their upcoming learning celebration and others learned about fairy tales.

It was great to see so many families in the school for Student Led Conferences and enjoying the book fair. Remember the book fair will be up all week for students to shop. Look below for the information from Mrs. Doyle.

We hope you all enjoy the long weekend and we look forward to seeing your students for a full week next week.

Sincerely,
Sarah Anderson

SCHOOL IMPROVEMENT SURVEY

Each year we invite families to participate in a survey to help inform our school improvement planning process. We have been encouraged by strong participation in the past and hope that you will assist us with this effort again this year. Students and staff members will be invited to share their thoughts as well.

The survey will remain open until April 17, 2023.

We encourage you to open it now and share your thoughts. Thank you!
