RAMS

Hello RPSA Families!

It is hard to believe the school year has come to an end already. What a great year it was! Some of my favorite highlights have been the Museum of Ancient Civilizations, partnership with Forest Hill, World Water Day, the Islander Rain Garden, Healthy Family Night, and watching our Kindergarteners learn from CMU Meteorology students. Our students have done amazing things this year, and I am really looking forward to keeping our momentum going into next school year.

It is truly an honor to have been chosen as our next School Leader. I have loved being part of the RPSA family and watching our school grow over the last 12 years. This is a special place to work and go to school - my own children spent several years as students here before our family recently moved to Alma. My husband and I have two boys, Jace (12) and Jaxon (9) and we all love supporting the students at RPSA.

I'd love to see many of our RPSA families this summer! I will be in attendance at some of our family events and can't wait to have some summer fun with you! I also look forward to meeting families at our Open House in August. If there is anything I can support you with this summer, please reach out to me at mnix@renaissancepsa.com.

With RAMS Pride,
Megan Nix

Adventure Awaits!

Travel Mt. Pleasant this summer with RPSA!

Students who show RAMS Pride at each event will receive an exclusive RAMS Pride Prize!

Flyers and signups will be available two weeks before each event on the RPSA Facebook Page.

Students who attend the first two summer events will receive a mini passport. At each event they attend this summer they will be able to stamp their passport! Passports with 3+ stamps at the end of summer will be able to be entered in drawings for a handful of prizes!
