Hello RPSA Families!

There are wonderful things happening at every grade level as beginning of the year testing wraps up and projects continue. Here are some highlights of all the wonderful things that happened this week:

- Kindergarten learned about being bucket fillers this week and planted classroom plants to care for
- Voyagers continued exploring things they are curious about and their wonderings
- Islanders continued their study of MI cities and Geography, and 4th grade took a field trip to Bryant Farms
- Trailblazers had a presentation with special guest Paleo Joe to launch their unit on Earth's Geographical History
- Middle School students have been busy with the start of elective clubs including rocket building, putt putt golf course design, photography, and individual ICE projects

We are so excited about the great learning taking place already this school year and look forward to another great week!

With RAMS Pride,
The RPSA Leadership Team

Student Shout Outs

We've had such a great start to the school year and would like to start recognizing students who are going above and beyond. Be on the lookout for Student Shout Outs in our newsletter each week. Students who are caught following RAMS Pride Expectations will receive a special shout out from a staff member. They'll bring home a note from the staff member and have their names listed in the newsletter so you can help us celebrate them at home as well.

FRESH EGGS FINALLY FOR SALE

*Limited amount
in stock*

Laid by chickens from
Renaissance. Now available to
purchase by the coop.

\$3 for a carton of 4

To purchase eggs,
please park and walk
up to the chicken coop.
Eggs will be available
to purchase every
Friday.

Title I Annual Parent Meeting

We invite parents to attend our annual Title I Meeting on Thursday, September 28, 2023 at 7:30 a.m. This will be an opportunity for you to learn about our academic intervention programs. We will share information about:

- Our Title I budget and staffing
- Our school improvement plan
- Our instructional resources
- Student assessment & growth
- Tiers of academic support
- Our Family-School Compact

All families should be connected to Seesaw for updates and communication from your child's classroom. If you have not received messages or updates from your child's teacher yet, please reach out to them. The Seesaw App often needs to be updated on your device after a summer without use.

It is our hope that all families check Seesaw at least once a day. This is our primary form of communication from your child's teacher and all classroom information, upcoming events, etc. will be shared with parents through Seesaw.

Did you know we offer a before school program?

Supervision is available from 7:00-7:40 for those who want to drop off early. See details below!

Before and After School

We are very excited to offer both before and after school care this school year. These programs do hold a child care license and must follow all licensing rules:

- Cost
 - \$5 per day Before School
 - 7:00am - 7:45am
 - \$20 per day After School OR \$50 weekly
 - end of school - 5:30pm
 - Kindergarten through 6th grade only
 - to meet staffing rules, families must register and pay the week prior (no drop ins)
 - stop into the front office for registration paperwork

Inclement Weather

In the instance of an indoor pickup due to inclement weather, please see the below procedures for getting students picked up in a timely manner and keeping them safe

- Parents may choose to park and walk up to the building where a staff member will meet you and call for your child OR you may use the pickup lane to drive along the sidewalk and wait for your child
- When you enter the parking lot, please expect to stop and tell the staff member at the entrance your child's name and the name of their teacher
 - We will provide all families with a laminated card to put in your front window to help with this
- Staff in the parking lot and at the front entrance will radio to the classroom to have your student come to the front of the building
- Staff will escort children to vehicles in the pickup lane and help them get in safely
- Families are asked to still use the crosswalks when parking and walking up for students - it can be very hard to see in a rainy parking lot and crossing at other areas is not safe
- Please expect to take a little more time for pickup on these days, as we will move students as quickly as possible but it does take time
- Again, we will have free supervision available until 4:00pm so families are encouraged to wait a little past dismissal time to arrive for your student.

BREAKFAST TIME MENU

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
No School	Cereal Juice Fruit Milk	Poptarts Juice Milk	Yogurt Granola Bar Fruit Milk	Whole Grain Donuts Fruit Milk
Poptart Fruit Milk	Cinnamon toast crunch bar Fruit Milk	Yogurt Granola Bar Fruit Milk	Cereal Juice Fruit Milk	Whole Grain Donuts Fruit Milk
