Hello RPSA Families!

Our first full week of school in January was wonderful! We love that we finally got to see our students 5 days in a row and made the most of our time together. NWEA testing has wrapped up and teachers are making adjustments to groups and plans in the classroom based on student progress. Our Voyagers hosted a great family event called "Healthy Family Night" on Wednesday evening with 206 people in attendance. Thank you to our Voyager families for supporting this project!

SCHOOL IMPROVEMENT SURVEY

Each year we invite families to participate in a survey to help inform our school improvement planning process. We have been encouraged by strong participation in the past and hope that you will assist us with this effort again this year. Students and staff members will be invited to share their thoughts as well. The survey will remain open until January 31, 2025. We encourage you to open it now and share your thoughts. Thank you!

Have a great weekend!

Be Safe Be Responsible

Be Kind Work Hard

We love celebrating our students when they're caught showing RAMS Pride. We look for students who are being safe, being responsible, being kind, or working hard and try to highlight them with a "Shout Out". Students receive a blue paper to bring home and show off to their families. Their names are also included in the weekly newsletter. The first time a student receives a shout out, they get to visit the book vending machine too!

Illness Policy

During the winter months it is common to see an increase in illnesses. Please help us slow the spread by following our illness policy. We want to work together to assure that our children and their health are protected.

Please keep your child home when they are sick. As a general guideline, a student should not return to school until they have been fever-free for 24 hours without the use of fever reducing medicines or not vomited/diarrhea in 48 hours.
